The **Essentials**

These key features are highlighted on each product page, where applicable:

- **Soft Close**
Soft close seats endure less wear and tear and have a smoother, quieter action.
- **Flush to Wall WC**
Aesthetically pleasing and hides your pipework, leaving fewer places for dust to collect and making it so easy to clean.
- **Comfort Height WC**
A comfort height WC has a higher pan than standard toilets – ideal for those with limited mobility.
- **Compact Options**
A choice of compact sizes provides options ideal for cloakrooms or smaller bathrooms.

pick & mix

- Pick from a selection of basins and pedestals and mix with a WC pan of your choice.
