

luxury

An all-encompassing range of luxury enclosures, designed for practicality and longevity. You're sure to find one that will look and feel great in your bathroom. Our patented EasyFit technology is available across many of our enclosures, and they come with toughened safety glass for added piece of mind.

The Essentials

These key features are highlighted on each product page, where applicable:

- Toughened Safety Glass**
 All our toughend safety glass is available as 6mm on Pacific and up to 5mm on Ella unless stated.
- Easyfit System**
 All our enclosures displaying this icon use Easyfit technology unless otherwise stated, enabling quicker and easier assembly.
- Quick Release Doors**
 All our sliding doors have quick release rollers as standard for easy cleaning
- Profile Cover Caps**
 All of our enclosure wall profiles have cover caps as standard for a neat finish.
- Made in Britain**
 Our Pearlstone trays are manufactured in Halifax by our dedicated team. All trays are acrylic capped and constructed from a Polyurethane resin, making them the strongest available.
