bathroom furniture collections

As a family run business based in Yorkshire our heritage in the bathroom market spans over 100 years. With an established reputation for manufacturing quality bathroom furniture, our company is passionate about preserving manufacturing in the UK.

Our in-house designers ensure each furniture range is researched, designed and tested to suit the British bathroom, whether it be traditional or contemporary in style. We have an ongoing reinvestment in new machinery and this, together with the selection of high quality raw materials from trusted suppliers and quality craftsmanship, ensures long lasting quality.

We care about the environment and our environmental impact through sourcing products, recycling & waste and as a company we are ISO 14001 and ISO 9001 registered.

MODULAR

Our modular ranges

Our Modular ranges offer versatile freestanding and wall hung units to create unique arrangements to suit your bathroom space.

Explore contemporary and traditional designs that are easily adaptable to individual tastes. Elation Modular ranges not only offer distinct styles but our designers have carefully selected finishes to complement the design features of each range, including unique colour palettes with matt, gloss and textured finishes.

MODULAR

ORGANIC CURVES

Furniture trends are embracing more natural and organic shapes. As a result sweeping curves and softer edges have been incorporated into new range Kiyo & our P Shape Combination unit.

FEATURED

MATT SURFACES

Popular matt textures are now available in Indigo, a luxurious and dramatic statement tone and Pearl Grey a calm, contemporary tone.

LED MIRRORS

Elevate your modular furniture with our NEW contemporary LED Illuminated Mirrors.

TIMELESS CHARM

Our NEW Under Counter Basin Unit offers more versatility and a refined aesthetic within the Etienne freestanding range.

BATHROOM STYLE

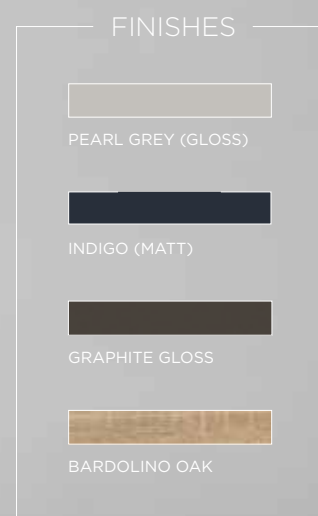

This year has seen the rising demand for braver and bolder colour choices, modern twists on texture and dramatic shifts in conventional bathroom furniture. Solid matt colours are dominating especially when paired with contrasting woodgrains, creating eye catching and striking designs.

Achieve a simple, functional and beautiful composition with either intense accent colours such as our new Indigo or moodier Graphite Gloss, alternatively choose from our selection of neutral matt finishes, now featuring our new Pearl Grey.

450 Vanity Unit & Basin in Bardolino Oak from £374.00

ILLUSION OF SPACE

Eko is perfect for even the smallest of bathrooms, cloakrooms and ensembles. The compact 450mm washbasin maximises storage with a soft close door instead of a drawer, while the wall mounted design of the Eko range enhances the illusion of space.

Eko's sharp lines and integrated design features effortlessly deliver cutting edge style.

The 550mm basin unit shown is an ideal size for most bathrooms, providing a contemporary alternative to a standard basin and pedestal.

550 Vanity Unit & Basin from £615.00, Tall Unit from £329.00

SKILFULLY CRAFTED

The Eko range comes in various sizes, finishes and handle options. The handle options for washbasin and tall units can transform the appearance of your furniture, choose between the minimalist Groove Drawer or Slab Drawer with preferred handle.

LUXE MINIMALISM

The Graphite Gloss finish is moody and sophisticated, adding an edge to the 750mm unit. This finish creates a striking contrast to the precise angles of the crisp white basin.

Every Eko drawer has premium slow close runners to ensure silent and safe closing. The concealed internal drawer is ideal for storing smaller items to help organise your space.

ARCHITECTURAL SIMPLICITY

When space allows, make a bold statement with our dramatic 1100 double basin and co-ordinating furniture to provide additional storage. Complete the look with the D-Shape handle as shown.

The mirror units have a sensor activated overhead light; simply pass your hand under the sensor to activate. Mirror doors also boast premium soft close hinges.

Development

In the interest of continuing design and development and product improvement, Cavalier reserve the right to change colour, designs and product specifications without prior notice. All colours in this brochure are as accurate as the printing process will allow.

Usage

It is important that your furniture is installed in a well ventilated room fitted with a suitable extractor fan. Please make sure that the furniture is dry after use, as with all furniture it will deteriorate over time through excessive water spillage. We do not recommend the use of chemical cleaning products or abrasives on our furniture or basins.

Measurements

All measurements are in millimetres and are nominal, they are provided as guidance only as all products are subject to manufacturing tolerances.

Prices

The prices included within this brochure supersede all previous publications with goods being invoiced at prices ruling on date of dispatch. All prices are inclusive of VAT and are subject to alteration without notice.

Electrical

IMPORTANT: All electrical installation work must be carried out by an approved qualified electrician. Under no circumstances should any electrical work be carried out by unqualified persons.

All electrical components are suitable for outside of Zones 1 & 2 bathroom use only. After a period of time the light will become hot, do not touch the light until it has been turned off and allowed to cool.

LED Illuminated Mirrors

Our LED Illuminated Mirrors are IP44 rated, all installations must comply with the guidelines in the zonal concept. Please refer to the online documents at elationbathrooms.co.uk

All component and manufacturing instructions supplied with the electrical products must be followed at all times and the product installed within the correct Zone as required by electrical regulations. All electrical products and components supplied must be protected by a 30MA-RCBO (RCD) breaker.

All electrical products are certified to the appropriate BS-EN standards.

Guarantee

All our furniture ranges are covered by a 5 year guarantee from the date of purchase, which covers all manufacturing defects. This guarantee does not cover damage during fitting or misuse. Products must be installed and cared for as detailed in the fitting instructions. The guarantee applies only to the original purchasers of the products and is not transferable. The guarantee is limited to domestic users only, items should not be exposed to extreme heat, moisture or poorly ventilated areas.

In the unlikely event that the product fails within the 5 year guarantee we will replace the part (or nearest equivalent) of the product which has failed. Notice must be provided in writing detailing the product failure. Liability is limited to individual products and does not cover consequential loss or damage, installation costs or financial compensation. The customer will be required to pay for the cost of installation of the replacement part. The guarantee is in addition to and does not affect your statutory rights. Further terms and conditions are available upon request.
